

sound investment:

Join us for three thought-provoking composer/commissioner salons throughout the 2007-08 season:

- **Do you want to know a secret?** – November 8, 2007 – 7 pm, Pierre's Fine Pianos
11039 W. Pico Blvd., Los Angeles
Every work of music is a magical mystery tour through the mind and soul of the composer. In this first session, Kevin Puts drops some clues to his inspiration and influences.
- **With a little help from my friends** – February 20, 2008 – 7pm, Mt. Washington home of Alan Goldman
Be the first to hear excerpts from the work-in-progress as members of the Orchestra give an intimate reading, then join the discussion as musicians and investors offer their feedback to the composer.
- **All together now** – May 15, 2008 – The Colburn School, evening hour TBA
Sit in on a full rehearsal of the newly completed concerto to see and hear how Jeffrey Kahane and the Orchestra collaborate with Kevin to ensure a spectacular world premiere.

Plus, enjoy investor-only benefits:

- **All Access** – Sound Investment is your backstage pass and gets you in the front door as well. Membership includes a pair of complimentary tickets to one of the premiere concerts on **May 17-18, 2008 at the Alex Theatre and Royce Hall**. Members also receive a 20% discount on additional tickets for these performances.
- **Hall of Fame** – Both the program and the printed score will list the names of all co-commissioners.
